Motion of the Direct Marketing Association Supporting
United States Postal Service
Response to Order Extending Deadline for Comments

May 3, 2013

On May 2, 2013, the United States Postal Service (USPS) filed a response to the Commission's Order extending the deadline for comments to the USPS Notice of Price Adjustment in this docket. In the Order the Commission extended the comment deadline three days from May 6, 2013 to May 9, 2013 to allow interested parties more time to review the USPS responses to Chairman's Information Request No. 1. USPS stated that its response will be extensive and asked the Commission to extend the comment deadline further to May 17, 2013. The Direct Marketing Association (DMA) supports the USPS request.

The USPS notice potentially raises significant questions concerning credits, discounts and the price cap that may have effects far beyond this docket. To fully review and understand the USPS response to Chairman's Information Request No. 1 DMA will need, at a minimum, the extra time that USPS has requested. If DMA finds it needs additional time to comment on the extensive response, DMA may move for that additional time.

Respectfully submitted,
